LaZerKinetic Stretch Clinic

Why Do We Recommend ASPEN LASER THERAPY For You?

- Fast & Effective Pain Relief
- Accelerated Tissue Repair
- Improved Nerve Function
- Surgery Free
- Non-Invasive & Painless
- No Side Effects

---Each session will be 1 hour,
consisting of stretching and
LaZerKinetics therapy on the
legs.

----depending on start point of your
stretch ability, this may not be
corrected on just 1 session
